Memorial Park At Jones Pond

Since 1991 The Seasonal Campers at Jones Pond Campground have maintained The Memorial Park. Here the gardens memorialize campers who have passed away and helps celebrate their lives. Trees, shrubs and perennial gardens have been planted over the years in honor of individuals. A

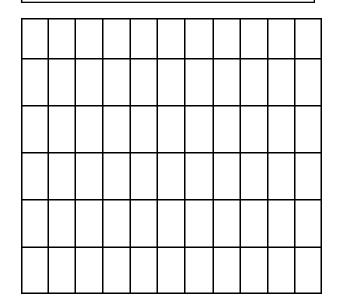

gazebo offers a place to reflect on the lives of these people and enjoy the gardens.

In 2010 we plan to create a paver circle containing engraved stones. Engraved stones are available for recognizing friends and loved ones in three sizes. Please consider purchasing a memorial paver to be placed in the circle as a lasting tribute to their life and memory.

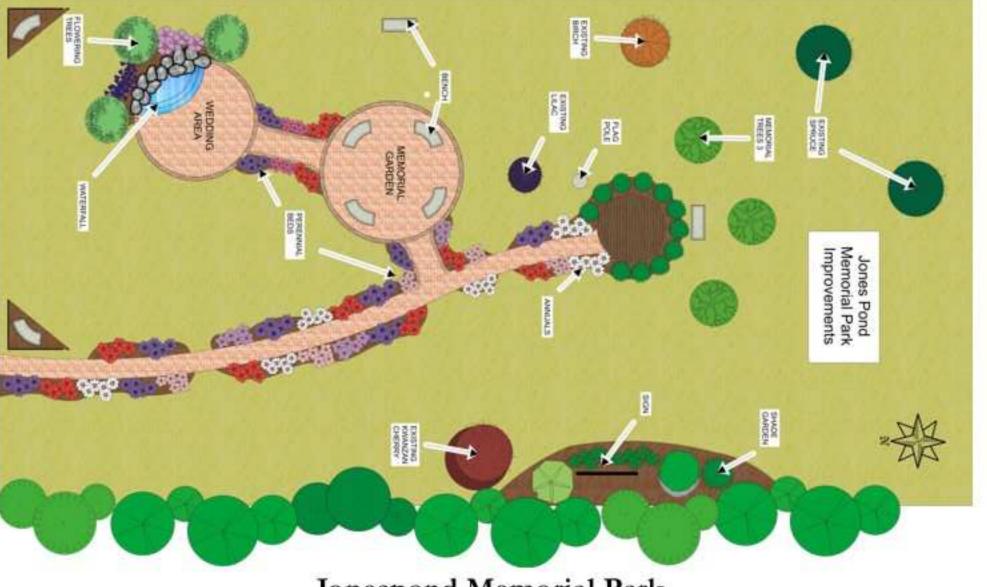

Future plans include the development of a memorial celebrating marriage and events important to fellow campers. An area with additional pavers and a waterfall will provide a backdrop for weddings and special events.

Please enjoy the gardens and contribute to its legacy by purchasing an engraved paver. 4 x 7 Paver \$55.00 3 lines with 11 characters each including spaces and punctuation

\$65.00 6 lines with 11 characters each including spaces and punctuation

8 x 13 Paver \$85.00 6 lines with 20 characters each including spaces and punctuation
